003

The go-to for **curtain cords!**

Despite the low price, it nevertheless has a high-quality **finish** with its 16-ply braided outer. Its core is made from heavy-duty polyester with **UV-treatment**, meaning it can be used both **indoors** and **outdoors**.

The **pre-stretched** hard-wearing polyester fibre core gives it excellent **strength** and **minimal stretching** under load. It is therefore ideal for single and **double tracks** with a **manual pull**, as well as a number of other technical applications.

Available in **2 colours** and **8 diameters** for all types of uses, this curtain rope is an essential piece of kit for technical teams, both in **stage** and **event** settings!

► Technical specifications

Reference	ADPo2	ADPo3	ADPo4	ADPo5	ADPo6	ADPo8	ADPo10	ADPo12
Diameter (mm)	2	3	4	5	6	8	10	12
