Soundproof Cloth

Ref. CTSC5 / CTSC7
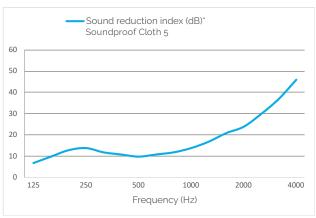

Azur Scenic

Are the noises from the surrounding area intruding on your space?
Want to limit the noise impact of your premises?
**Want to divide a room to make two distinct spaces?**

Easily create **distinct spaces** both **acoustically** and **visually** thanks to our comprehensive solutions for multi-ply acoustic curtains. By combining alternate absorbent and insulating layers, they guarantee **the best possible sound control**!
Available in 2 versions (**5 or 7 ply**), with a fine **flat finish**, **M1 non-flammable** rated and **easy to use**, Soundproof Cloth is your ideal partner to resolve **sound insulation challenges** of all kinds.
